If you are travelling on an Electric Tilt Train service, details on this page will provide information about onboard facilities and journey departure days.

### Onboard facilities

- Licensed Galley Car providing light refreshments confectionery and beverages located in Car E and Car B
- Drinking fountains
- Toilets located at the end of each carriage
- Smoking is not permitted
- Free Wi-Fi available onboard

### Checked Luggage

**Business:**  Two 20KG items per customer

**Economy:**  One 20KG item per customer

*One item of carry on hand luggage free of charge*

### Accessibility

Limited allocated spaces are available, as well as signage with raised text, braille and hearing aid loops.

Disability accessible toilet located in Car A

Most types of wheelchairs or mobility scooters can be accommodated on the Tilt, however size restrictions do apply.

In general, these dimension limits are 680 mm wide by 1200 mm long on the Tilt Train.

### The Galley

The Galley is located in Car B and Car E and stocks a wide variety of hot food and snacks. Grab a cup of coffee or just a quick bite to go. The Galley service is in addition to the hand trolley service<sup>^</sup>.

### Business

Travelling in Business seats includes a larger seat, juice and newspaper when on-board and blankets and pillows available on request. All seats have a 240v powerpoint to power your electronics.

### Economy

Enjoy generous recline, a fold down table and foot rest and onboard entertainment provided by the overhead screens. All seats face the direction of travel. USB charging port under the arm rest of each seat for phones and tablets.

### Train 101

The Tilt Train fleet carries over 180 thousand passengers a year between Brisbane, Bundaberg and Rockhampton. Travelling at up to 160km per hour, these are some of the fastest trains in Australia.

<sup>^</sup> Economy Seat Trolley service available on Brisbane to Rockhampton service only.
